

Petition

to Serve Notice of Termination

of the Guadalajara Totalization Agreement between Mexico & USA

To be delivered to President Donald Trump at the White House, Washington, DC

Whereas, the United States and Mexico signed a Totalization Agreement at Guadalajara, Mexico on June 29, 2004, and

Whereas, this agreement under Part III, Provision of Benefits, Article 5, Section 1, states Mexican workers who have “completed at least six quarters of coverage” in the US, thereby “satisfy the benefits under United States applicable laws,” and

Whereas, in contrast, American workers must complete 40 quarters of work to become similarly “vested” in Social Security, and

Whereas, Under Article 3, Section 1 of the Totalization Agreement, “a person who... resides in the territory” of the United States – an illegal alien – “shall receive equal treatment with nationals” of the United States “regarding entitlements to and payment of benefits” and

Whereas, estimates are that there are between 12 million and up to 30 million Mexicans residing illegally in the United States, and

Whereas, an estimated \$525 million will be paid in extra social security payments within the first 5 years of the Totalization Agreement once it becomes law, even without an affirmative vote of the U.S. Senate and House, and

Whereas, the undersigned views the Totalization Agreement with Mexico as a grave threat to the solvency of the Social Security system and our government’s ability to meet its benefit commitments earned by our senior citizens,

Therefore be It Resolved by the undersigned that President Donald Trump should serve notice of termination under Article 20 of the Guadalajara Totalization Agreement with Mexico and,

Resolved that President Trump should make clear that any future Totalization Agreement with Mexico will not reward illegals from their country, especially those who committed identity fraud to get jobs, with any cash payments from Americana taxpayers or U.S. Social Security funds.
