Washington, DC 20500

Ronald Wilcox, Executive Director
Clay Chase, Program Review Coordinator

Dear Mr. President,

First, thank you very much for your policies to end the "Obama War on Seniors." We are delighted that you have made such a public stand for the conservative values we share such as the repeal of Obamacare. We are grateful to you.

I am writing to ask you to sign a proclamation restoring "Senior Citizens Day" on August 21, in a White House Ceremony. Senior Citizens Day was originally proclaimed by President Ronald Reagan in 1988.

I have attached the original proclamation for your convenience.

We have asked our supporters across the county to sign petitions requesting the reinstatement of Senior Citizens Day this August 21, 2017.

The petitions read in part "Therefore, the undersigned does petition you to take all measures necessary to end the Obama era "war on seniors" and to enact and to enforce laws which are fair to those who helped build America, and"

Further, "The undersigned does hereby Petition you to declare August 21 as National Senior Citizens Day as Ronald Reagan did, and for you to encourage appropriate observances in communities across America."

I would be delighted to present some of these petitions to you in a White House Declaration Signing Ceremony if it can be arranged.

I would be delighted to assist you and your administration in the preparations and promotion of the "Senior Citizens Day" to recognize the value and contributions to American Society that Seniors make.

Please have one of your staff members email me to let me know that you wish to reinstate "Senior Citizens Day this August 21 and to make any needed arrangements at my email address executivedirector@secureamericaalliance.org or call me at 703-672-3901.

Thank you and your staff for your consideration of this important and urgent restoration of this honor for often forgotten American Senior Citizens.

Most respectfully,

A handwritten signature in black ink that reads "Ronald Wilcox". The signature is written in a cursive style with a large, prominent "R" and "W".
